

Triple I Participation Form

We express our determination to contribute to better health globally, with a view to achieving Universal Health Coverage (UHC) and Sustainable Development Goals, including through health systems strengthening and, as cornerstone, enhancing primary health care to restore access to essential health services in the post COVID-19 era.

In 2023 leaders at the G7 Hiroshima Summit emphasized the important role of the private sector towards sustainable financing in global health, including through impact investments. “Triple I (Impact Investments Initiative) for Global Health”, endorsed by G7 leaders, will contribute to achieving the UHC by encouraging to promote the impact investment.
